Oaklawn Wellness Program for New Hires

About the program:

Oaklawn is offering the opportunity for new employees (and spouses if enrolled) who are enrolling in health insurance and who were unable to participate at an onsite screening for our wellness plan to obtain their results directly from their primary care physician.

Any co-pay, deductible or cost for the completion will be the employee's responsibility.

As a new hire, how can I eliminate my wellness premium?

- Once you are enrolled in health coverage, Kathy Martinez in HR will email you a Screening Results Form (SRF)
- Take the form to your primary care physician to complete the screening. If you had obtained all the required results anytime within the last 6 months, then your provider may use those results to complete the SFR.
- The SRF form must be sent directly from your provider to Oaklawn by fax 574-537-2698 or 888-657-7429, direct email to katherine.martinez@oaklawn.org, or by mail.
- Follow up with Kathy Martinez at 574-533-1234 Ext 2619 to ensure receipt of your SRF in Human Resources, so your wellness premium is cancelled timely.

New Hire Wellness Premium:

\$20.00 per pay

Completion of the screening results form submitted to Kathy Martinez in HR:

- Wellness premium will be cancelled for the remainder of calendar year

The screening must include:

- Full lipid panel
- Blood sugar
- Blood pressure
- Measured Height/Weight
- Calculated BMI

The benefits of our wellness program: To know your numbers and be aware of potential risks.

Each Fall, Oaklawn will provides details outlining the wellness program for the following plan year.

As a participant in the health plan, you will want to participate in the wellness program each year to pay the lowest health premium possible.
